Texas Hill Country Wineries is committed to the health and safety of our members, partners, supporters, patrons and their families and have been monitoring the COVID-19 outbreak. We have been in communication with the THCW Board and Winery members regarding COVID-19, safety protocols and travel & event restrictions.

Texas Hill Country wineries are responding to concerns of the COVID-19 outbreak and with the rapidly changing environment during this time, we encourage you to refer to wineries directly for details on the precautions they are taking and changes to their operations.

Our industry recognizes that the health and safety of all visitors is the top priority. We urge you to follow all [CDC protocols](#) in order to ensure the health and safety of yourself and our local businesses.

As we are all managing this unprecedented time in our individual lives, we ask that you remember to support small and local businesses while staying home. Many [Texas Hill Country Wineries](#) offer online ordering and shipping in and outside of Texas to ensure you have Texas wine at home. Wine Clubs and gift cards are an excellent way to support now and reap the benefit later.

We understand the impact this is having across the nation and we are committed to working with and supporting our community while wishing everyone the best health.
